

## **Important information about the coronavirus (COVID-19)**

The NHS and Public Health England (PHE) are well prepared for outbreaks of new infectious diseases. The NHS has put in place measures to ensure the safety of all patients and NHS staff while also ensuring services are available to the public as normal.

The latest information on symptoms of Coronavirus infection and areas where recent travel may have resulted in a high risk of exposure can be found on [nhs.uk/conditions/coronavirus-covid-19/](https://www.nhs.uk/conditions/coronavirus-covid-19/)

**NHS 111 has an [online coronavirus service](#) that can tell you if you need medical help and advise you what to do.**

**Use this service if:**

- **you think you might have coronavirus;**
- **in the last 14 days you've been to a country or area with a high risk of coronavirus;**
- **you've been in close contact with someone with coronavirus.**

**If you have a cough or high temperature - Do not come to the Surgery, Call [111](#).**
