News from the Practice

Practice Nurse

We are pleased to welcome our new Practice Nurse. Ellen works for 2.5 working days a week at the Practice. Her Clinics include Hypertension, Anticoagulation and general. Welcome to the team Ellen!

Website

We now have a new practice website at
www.handsworthmedicalpractice.com

Please visit this site which has a practice area map, details of opening hours, clinic information and advice relating to self help for minor illnesses. It also has details of the Patient Participation Group and a copy of their most recent newsletter.

Patient Reference Group (PRG)

We want to know what you think..... We welcome your input to help us develop surveys, services, local priorities and take action. By giving us your Email address, we will be able to contact you from time to time to ask your views to help shape your local service.

If you are interested in joining our surgery Patient Reference Group please ask a member of staff for a leaflet and leave your Email address. (your
